Dear Marty,

The Orange County Rescue Mission would like to extend our appreciation to Latte Da Bagelry & Grill and personally to you, Marty, for the immeasurable pleasure your treasured bagels have brought to the mornings at the Village of Hope. The wholesome breakfasts, with bagels, provide the residents of men, women and children the healthy nourishment to get their day started right at school or work.

The Orange County Rescue Mission's extends its deepest gratitude for your offering of support to our vital mutual mission. This year has provided some unique challenges in light of the present economy and your assistance to those most vulnerable continues to provide them hope for the future. Your impressive generosity continues to display your dedication to the Orange County Rescue Mission and I personally thank you as do our many residents.

Your serving staff has been wonderfully accommodating. John Eumurian, our staff member who picks up the bagels each day, has appreciated their willingness to save the bagels at night and bag/box them for pickup each morning.

Thank you for your commitment to feeding the hungry in Orange County each day. *We are so grateful for community partners like you and your staff.*

Sincerely,
